REYMAN E MAIL REPORT – 30 OCTOBER 2008

Hello from Karen in sunny and hot Alberton, South Africa. What interesting and changing times we live in! God's words in 1 Timothy 6:17-19 are timeless and succinct..."Command those who are rich in this present world not to be arrogant nor to put their hope in wealth, which is so uncertain, but to put their hope in God, who richly provides us with everything for our enjoyment. Command them to do good, to be rich in good deeds, and to be generous and willing to share. In this way they will lay up treasure for themselves as a firm foundation for the coming age, so that they may take hold of the life that is truly life."

As we begin our 20th year in Southern Africa, we are humbled by the generosity that our supporters have shown to us over the years. You have indeed been "...generous and willing to share." We thank you.

PROGRESS AT TIGANE

There is progress on the minister's house and the toilet block. The ceiling is being installed and the doors are being hung this week. After the electrical and plumbing fixtures are installed, the final coat of paint put on the walls and the bathroom and floors are tiled, Patson and his family will be able to move in. After living in a one-room house with no running water or electricity, they are-shall I say-anxious.

E-MAILpreyman@mindspring.com**TRIP TO BOTSWANA AND ZIMBABWE**

We are excited to have family coming to visit! Our son, Lonnie, and his wife, Beth, are coming to visit on November 14th for four weeks. We will be travelling to Botswana for game viewing and to Zimbabwe to visit Victoria Falls and on to Bulawayo where we lived with our children when Lonnie was twelve to nineteen years old. This will be the first time that he has seen Khayelihle Children's Village at its farm location. We plan to work on some projects while at KCV and Lonnie will connect with people he hasn't seen in many years. Lonnie hasn't been back to Africa for ten years and Beth has never been here.

NEW RESIDENTS AT KHAYELIHLE CHILDREN'S VILLAGE

Two new children, 15-year-old Tatenda Nkika, and 11-year-old Awandemusisa Tshuma joined the KCV family recently. There are now 81 children at Khayelihle Children's Village.

Precious was one of KCV's first children. She now works at KCV and has a beautiful baby boy.

UNDER HIS WINGS CHOIR

The choir that I lead has had one "worship event" of How Great is our God on the 11th of October and it went well. The next one is at Queenshaven Retirement Village on Saturday, November 1th. The choir will sing once a month all of 2009 at the area churches starting next year in February.

Ellerine's Community Development Centre quilters in showroom.

FAMILY FOOTNOTES

Laurie, our daughter, recently had lunch with former President Jimmy Carter and his wife in Plains, Georgia. Laurie is an intern at the Carter Center in Atlanta as part of her studies for her master's degree at the University of Georgia.

**WORK AT DEVELOPMENT CENTRE REAPS REWARDS**

A picture of the quilt made by the class that I teach at Ellerine's Community Development Centre was included in the National Quilt Festival's prizewinner's pictures in the latest issue of Threads magazine, published here in South Africa.

Praise for an unchanging God in changing

times.

have to
stop right
here.
